

# Water-Energy Rebates for Restaurants and Food Service Facilities

## Save on Water, Energy and Sewer Costs with Efficiency Upgrades

Combined rebates of up to the full purchase price\* of qualifying commercial dishwashers, steam cookers, pre-rinse spray valves and lavatory faucets.

For water customers of:

California American Water Larkfield  
City of Healdsburg  
Marin Municipal Water District  
North Marin Water District  
City of Petaluma  
City of Santa Rosa

Purchase and install qualifying commercial kitchen equipment to replace existing equipment and get a rebate to cover up to the full cost\* of the equipment when combining rebates from Pacific Gas and Electric and the Sonoma-Marín Saving Water Partnership. For example, purchase a qualifying dishwasher for \$10,000 that is eligible for a \$600 rebate through Pacific Gas and Electric, get a \$9,400 rebate from the Sonoma-Marín Saving Water Partnership.

### Dishwashers - High-Temp Single Tank Door-Type

Qualifications: Listed on PG&E Qualifying Products List at <https://caenergywise.com/rebates>

**Dishwashers\*\*** - High- or Low-Temp Conveyor, Flight, Glasswasher, Pot-Pan-Utensil, and Under Counter Types and Low-Temp Single Tank Door-Type

Qualifications: EnergyStar rated models listed at <https://www.energystar.gov/productfinder/product/certified-commercial-dishwashers>

### Steam Cookers - Electric or gas models

Qualifications: Listed on PG&E Qualifying Products List at <https://caenergywise.com/rebates>

### Pre-Rinse Spray Valves\*\* - Valve only

Qualifications: Flow rate of 1.15 gallons per minute or less

### Lavatory Faucets\*\*

Qualifications: Maximum flow rate of 0.5 gallons per minute

\*Rebate amount is equal to the full purchase price of the equipment excluding taxes, fees, installation, accessories, extended warranties, service agreements, or supplies needed to maintain or operate the equipment less any available equipment rebates through Pacific Gas and Electric (\*\*Rebates not available through Pacific Gas and Electric on these equipment). Rebates available on a first come, first served basis through March 30, 2022 while funding lasts. The Sonoma-Marín Saving Water Partnership reserves the right to change, modify or reduce rebate amounts and/or add or drop eligible equipment at any time without prior notice. Purchases must be made between April 1, 2017 and February 15, 2022 and must be installed by February 28, 2022. Applications must be received by February 28, 2022.

## How to Participate

To apply for a rebate through this program, you must (1) contact the Water Use Efficiency Program to confirm eligibility, rebate funds availability and estimated rebate amount – a pre-inspection may be required, (2) select equipment and coordinate with Water Use Efficiency Program and local health and/or building officials when applicable, (3) purchase and install the rebate eligible equipment, (4) complete and sign application form, attach a copy of paid invoice(s) for the eligible equipment, complete and sign IRS Form W-9 (Request for Taxpayer Identification Number) and submit these documents by mail to: Sonoma-Marín Saving Water Partnership Rebate Program, 404 Aviation Blvd, Santa Rosa, CA 95403. Please allow 6 to 8 weeks to process your rebate request. Rebate checks will be distributed via US Mail.

By signing this form, I certify that I have independently selected, purchased in full, and assumed ownership of the above-listed equipment and have installed the equipment at the address above.

I agree that all equipment and work performed complies with applicable state and local laws, ordinances regulations and permits. I agree to maintain the equipment to be 100 percent functional as designed at the address indicated above for the typical life span of the equipment or a period of five (5) years from installation, whichever is less. The Sonoma-Marín Saving Water Partnership reserves the right to inspect the equipment to verify installation and operation at any time during this period.

I understand that the Sonoma-Marín Saving Water Partnership and its Members (Sonoma County Water Agency, City of Santa Rosa, Marin Municipal Water District, North Marin Water District, City of Healdsburg, City of Rohnert Park, City of Petaluma, City of Cotati, City of Sonoma, Valley of the Moon Water District, Town of Windsor and California American Water) make no warranty, whether expressed or implied, including warranty of merchantability or fitness for any particular purpose, use or application of any equipment installed in connection herewith. The Sonoma-Marín Saving Water Partnership disclaims any and all liability from any property damage or loss that may arise out of participation in the program.

I agree to defend, indemnify and hold harmless the Sonoma-Marín Saving Water Partnership, its Members and their directors, officers, agents and employees against any and all loss, liability, expense, claims, suits and damages, including attorney's fees, arising out of or resulting from the purchase and installation of the equipment described above.

I understand that this rebate program is funded in part by California Climate Investments, administered by the California Department of Water Resources and that the evaluation of measured savings of select rebate recipients by the University of California Davis Center for Water-Energy Efficiency (CWEE) may be performed to measure and verify this program's on-site water, energy, and greenhouse gas emission conservation savings. The measurement and verification evaluations include the use of aggregate customer water and energy usage data, approximately one year pre- and two years post-equipment installation, in addition to rebate participant surveys that I agree to complete and submit as requested.

The Internal Revenue Service requires the Sonoma-Marín Saving Water Partnership to issue an IRS Form 1099 (Miscellaneous Income) to rebate program participants receiving a total of \$600 or more in water conservation rebates. Rebates may be considered taxable income. Consult with your tax professional to determine what, if any, impact this may have on your business.

I certify under penalty of perjury that the information submitted on and with this application is true and correct and that I have read, understand and agree to the terms and conditions of this rebate program.
